

PAMA EVENT SPONSORSHIP PROGRAMME FOR MEMBERS

With the likely continuation of live meeting restrictions through most of 2021 PAMA has introduced a full schedule of continuing education seminars, workshops, legal updates and lunch & learn events delivered virtually via Zoom.

These are all opportunities for sponsorships.

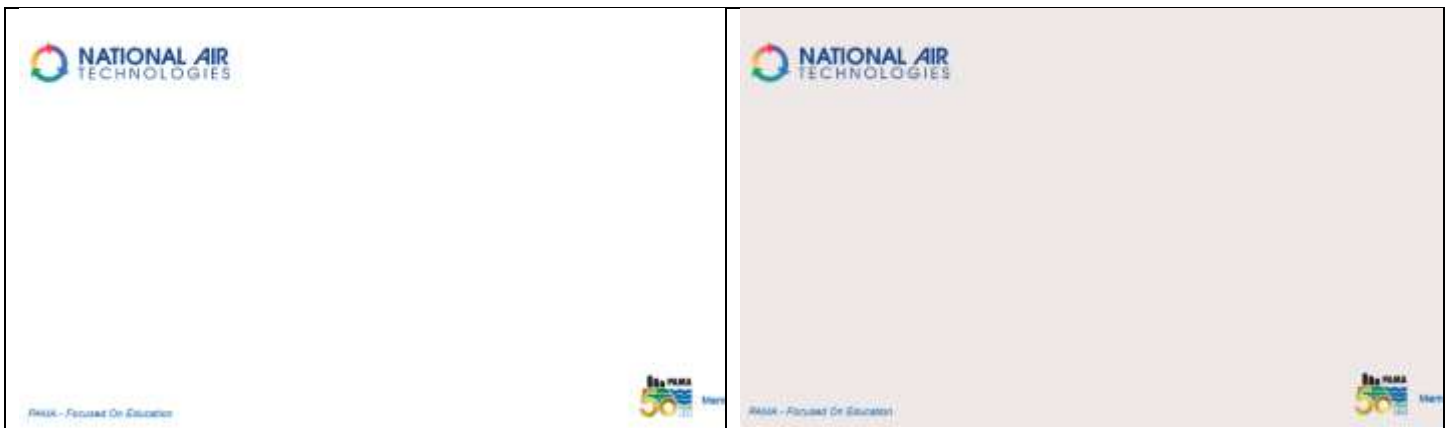

Event sponsors will have the opportunity at the beginning of the Zoom event to introduce themselves, share any fresh information relevant to their industry specialty and introduce the seminar speaker(s).

Monthly Legal Update Seminars (1-hour) are \$200

Lunch & Learn Seminars (1 to 1.5 hours) are \$200

Associate members are also encouraged to register themselves for these seminars **and be seen**. Most education events are currently at no charge to members.

PAMA offers you a Zoom background picture, with your company logo at no charge. See below for example. The background can be any colour of your choosing. Please contact Liz if you are interested. Please note some older computer systems may not be able to display a virtual background without a green screen.

PAMA members should submit their interest to sponsor to Lenka Henar at events@pama.ca

Rotating ads on the PAMA Web page continue to be free to all corporate members. If you have not yet submitted your ad file for uploading, email it to Liz at admin@pama.ca. The file must be in png or jpeg format 120 pixels wide by 240 tall.
